

Academic jobs

A nonexhaustive point of view

Click on Start

Necessary but highly unsufficient conditions

- Got a PhD
- Found an offer

What is next?

Various status

Civil servant (fonctionnaire)

Public organism not civil servant BUT permanent (CDI)

Private contract permanent (CDI)

 Not permanent (postdoc but also lecturer like position possibly with a tenure track system)

Take home message (several times)

Consult Opération postes

Postes.smai.emath.fr

Outline (OP based)

University

Step 1: ask the permission

Outils Pratiques

Application: the Pre-title sequence (easily forgotten) aka QUALIFICATION

Ask the permission to apply

CNU 25 Pure Maths

CNU 26 Applied Maths

Galaxie-> Odyssee (since now)

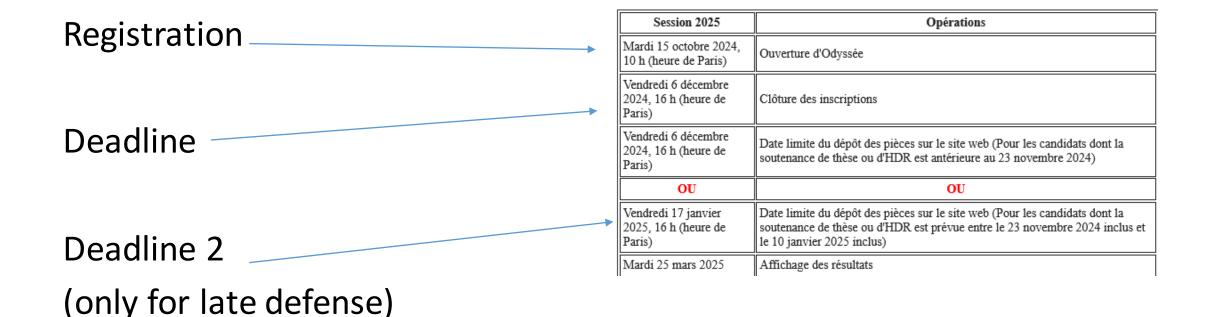

Authorization to apply given by the Comité National des Universités (CNU)

For you CNU 25 and/or 26

Can apply to both with the same files

Validity 4 years (Apply! Even if you are not to apply to a position)

What do you need in order to apply?

Need some help (take home message again)?

Volunteer managed website (in French):

- Information on the qualification procedure but also
- Most information about university positions in mathematics (and computer science)
- Many additional information on researchers position
- A bit more: mailing list koi 29 (quoi de neuf)

Postes.smai.emath.fr

- Concours de maître de conférences (MCF) et de professeur des universités (PR) : conseils, calendriers, profils de postes, listes d'auditionnés et de classés
- Concours de chargé de recherches (CR) et de directeur de recherches (DR): calendriers, profils de postes, listes d'auditionnés et de classés
- Concours de chaires de professeur junior (CPJ) et enseignants chercheurs contractuels (ECC) : calendriers, profils de postes, listes d'auditionnés et de classés
- Autres types de postes : liste (non exhaustive) des établissements susceptibles d'embaucher des mathématiciens et informaticiens, postes à l'étranger, ...
- Post-doctorats et ATER : annonces d'offres
- Après un Premier Recrutement dans l'Enseignement Supérieur : informations pour les personnes en poste, mobilité académique, statistiques, procédure d'échange de postes (MOUVE)

Is it hard work the qualification?

CV (in French) with articles + rapports de thèse/soutenance + attestation doctorat (mention eventual teaching activities)

This is more a filter than a selection

University

Step 2: Apply

Necessary conditions

Qualification number !!!!

Application through Galaxie ODYSSEE

CV+ research summary + research project (bonus with local insertion) Put your PhD reports even when not asked (they are 'very useful' for the jury).

Reference letters: not mandatory

Rest of the (French academic) world

Permanent researcher positions

CNRS

National hiring process:

- some positions are specified with locations/thematics

Research positions: no teaching duties.

Where: you apply with a few labs in mind: CNRS has the final decision (partial negociation)

CNRS section: 41 mathematics but mathematicians can be hired elsewhere! (eg 51 for interactions with biology)

Inria

Junior researcher (CRCN)

Permanent position

Civil servant

No teaching duty

Salary

Inria Starting Faculty Position (ISFP)

Permanent position

CDI (no end date) not civil servant

Light teaching duty (64h)

< Salary

Application (possible but rare exceptions) in a **project team**: contact them

Inrae

Junior researcher (CRCN)

Apply to a specific position

Contact the team before!

Others

IRD

Inserm

INED

Your new best/worst friend

Worst but mandatory: Galaxie Odyssee website

Your best friend: Opération Postes

Conseils

- Mémo
- · Les listes de diffusion incontournables
- Le site de Galaxie
- · Faire son dossier : les conseils de l'Opération Postes
- · Autres sources de conseils
- Conseils aux recruteurs

Koi 29?

Qu'est-ce que c'est?

La liste de diffusion Koi 2 9 ? est destinée à tenir les candidats au courant de l'actualité des concours de recrutement.

Rest of the (French academic) world

The rest of the jungle

Autres emplois

Grandes ecoles

Very school-dependent.

Some are on Opération postes, some are not. Information is more difficult to track

AgroParistech

<u>CentraleSupélec</u> (anciennement <u>École Centrale de Paris</u>)

ENAC

ENSAE

ENSAI

ENSTA (Paris) et ENSTA (Bretagne)

École des Mines de Paris

École Polytechnique, Calliopé

Groupe des Écoles de télécommunications

ISAE-SUPAERO

Last year 20 such positions were put on OP.

Mixture between senior and junior position

Some are even not full position.

Read carefully.

Voir aussi la <u>liste complète</u> des membres de la Conférence des Grandes Écoles.

Teaching positions

PRAG (grandes écoles and universities)

Not sure where to find the information.
